

TO WHOMSOEVER IT MAY CONCERN

LETTER OF APPRECIATION

M/s Closoft Technologies has carried out the Design, Engineering, Supply and Installation of PLC Control System and Process Instruments for Chiller Plant Automation System at our Bidadi Plant, Bengaluru.

The above project was directly supervised by us and we have found M/s Closoft Technologies works, their Engineering practices, drawings and documentation to be of professional Quality. They were able to carry out the entire works to the full satisfaction of our Engineers.

Our best wishes to Team Closoft for future Projects.

Regards,

(P.Muthukrishnan)

Manager, Plant Maintenance department)
